Recital Fee and Information

A non-refundable \$30.00 recital fee per family is due by November 30, 2018. Our recital is held on a Friday evening and will consist of only one performance. The performance date is announced prior to the recital fee due date. Payment of this fee constitutes your family's commitment to participate in the dance recital. 2 complimentary tickets will be given to each family for the performance with unlimited additional tickets being available for purchase prior to the show (we are not responsible for lost or stolen tickets). Your account must also have a \$0 balance in order to receive or purchase tickets. Students must attend all scheduled rehearsals to participate in the recital however participation in the recital is optional.

Costume Fees

Any student who chooses to participate in the recital must purchase the costume that is chosen by their teacher. Each separate performing class requires a \$70.00 costume fee due by November 30, 2018 (cash or checks ONLY; no credit cards). Costume fees not received by November 30, 2018 will be subject to a \$10.00 late fee per costume and if applicable, any additional shipping costs incurred to the studio because of late payment. Costume fees are refundable through December 31, 2018. No costume will be ordered for any student whose fee has not been received by December 31, 2018. A makeup kit costing \$10 to \$22 must be purchased - one kit per immediate family.

Studio Calendar

The studio will be closed on Halloween, Thanksgiving (from Thursday to Sunday), a 2 week break surrounding Christmas and New Year's Day, a 1 week break in February, a 1 week break surrounding Easter, and Memorial Day if the recital is scheduled after it. The studio is not closed for every holiday that school districts are closed for, nor do we follow the school calendar for vacation dates.

Class Attendance and Class Placement

Good attendance and being on time to class is imperative and should be taken seriously. Excessive absences and tardiness can limit progress of a dancer and affect the overall growth and development of an entire class. Students consistently late to class or who miss frequently may not progress as quickly as their peers and may be asked to move down in level. Our class placement is based on skill mastery and readiness, not necessarily by age, and is solely at the discretion of the instructor.

Cancellations and Emergency Closings

For cancellations due to weather emergencies, please watch news channels 2, 4, or 7 for posted notifications. Studio closings will also be posted on our studio Facebook page and on the studio website. Text alerts are also available but are optional and must be signed up for each new dance year. The studio will be closed for all classes if the Kenmore-Tonawanda School District closes due to weather conditions. Refunds will not be given for classes cancelled due to adverse weather and make up lessons are at the discretion of the teacher.

Solos, Duets and Trios

Any student who wishes to perform a solo, duet or trio in the dance recital must be enrolled in the style of dance they wish to perform, as well as be enrolled in a **ballet** class. The student wishing to perform a solo, duet or trio may miss up to 3 ballet classes during the dance year however more than 3 misses will disqualify that dancer from being eligible to perform a solo, duet or trio.

Class Assistants

Students ages 12 years or older who show a true love of dance and the desire to help others may be asked to become a class assistant. Students asked will have shown that they are responsible, outgoing, kind, and patient; they must be enrolled in a **ballet** class and may not miss more than 4 ballet classes during the year; must have studied the style of dance they are to assist for a minimum of 3 years, as well as currently be enrolled in that style, and may not miss more than 4 those classes in a year. Class assistants unable to make it to their assigned class must give their instructor at least 48 hours' notice, except in emergencies, and are responsible for finding their own coverage for the class they are missing. Class assistants who show poor class attendance, are frequently tardy, or who act in a way contradictive to their role model status, will be asked to step down from being a class assistant. Further guidelines will be reviewed with the dancers who are asked to be a class assistant.

Dress Code and Shoe Requirements

Specific dance attire and dance shoes required for each class. Students who do not follow the dress attire requirements will be asked not to participate in class. *Tights are mandatory for each class* excluding hip hop, and all students must have their hair secured out of their face.
